Ingenix and CIGNA Announce Direct Clearinghouse Relationship

Ingenix is excited to announce our new direct clearinghouse relationship with CIGNA, effective January 1, 2010.

This clearinghouse relationship will support the following EDI transactions:

- Electronic claims (batch 837P, 837I)
- Remittances (835)
- Real-time transactions
 - Eligibility (270/271)
 - Claims Status (276/277)
 - Referrals & Authorizations (278)

Ingenix customers are not required to make any changes and will benefit from the new direct connectivity. Ingenix also maintains EDI connectivity with most national and regional clearinghouses. Providers may contact their current clearinghouse to confirm connectivity with Ingenix.

If you have any questions regarding this transition, or are unable to submit your claims electronically to CIGNA, please contact us at (877) 380-7517 for more information.

Ingenix is offering special discounts for CIGNA providers who enroll for our connectivity solutions. For more information, please call our sales executives at (800) 341-6141.
