## Transaction Exchange - EDI Solutions for Providers

### Streamline Your Revenue Cycle With Ingenix EDI

Ingenix is creating the next generation of intelligent electronic connectivity tools for use by providers. ENS, an Ingenix company, provides and supports a full suite of EDI (Electronic Data Interchange) services that are HIPAA compliant, easy-to-use, efficient, and affordable. We deliver innovative solutions that streamline the exchange of transactions between providers and payers, and understand that the efficient flow of health care administrative information is crucial to the success of your practice.

#### Electronic Claims

- Access more than 1,600 payers through a single online connection
- Fast implementations, sometimes within days of signing up
- Payer reporting presented in a standardized format
- Compatible with most practice management systems and options for providers without a practice management system

#### ERA & Electronic EOBs

- Reduce manual cash application and automate the posting process
- Reduce costly research and errors
- Retrieve EOB images immediately by patient indexes
- Provides convenience of a single, full feature application for all participating insurance carriers

#### Real-time Eligibility

- Direct access to up-to-date payer eligibility data
- Response within seconds
- Eliminate phone time and administrative costs

#### Real-time Claim Status & Electronic Claim Tracking (ECT)

- Greatly reduce follow-up time on unpaid claims
- Real-time response accessed via the Internet
- Easily print or view the results on your screen

#### Patient Statements

- Reduce preparation costs and the hassle of mailing patient statements
- Ability to print copies of statements
- Suppress invalid addresses automatically
- Receive timely and detailed reports after the submission

#### Patient Payments

- Allow patients to pay on-line
- Obtain payment pre-authorization and set-up payment plans with patients on future balances
- Auto post/import payment detail into your accounting system

#### Referrals and Authorizations

- Easily obtain referrals and pre-certifications online
- Reduce phone time and distractive costs
